**DEGREE AND CERTIFICATE PROGRAMS**

Wherever you are in the world, you can take advantage of Excelsior College’s fully accredited, highly respected college degree programs and distance learning courses. A wide range of subjects include Business, Health Sciences, Nursing, Psychology, and more.

For a complete list of degree and certificate programs, visit: www.excelsior.edu/militarydegrees

Named by *Military Advanced Education* magazine as one of the Top 20 colleges and universities serving the U.S. military.
1 **Ease of use**
We’ll deliver your courses in two convenient formats: online and via CD-ROM. Or you may wish to take advantage of Excelsior College® Examinations as a means to gain credit to satisfy your degree and elective requirements. Thereby moving you closer to your educational or career goals. Your advisors will help you determine what suits you best.

2 **Flexible scheduling**
Our 15-week terms begin every other month. Accelerated 8-week undergraduate courses and 12-week graduate courses are also available. At Excelsior, your education is never kept waiting.

3 **Smooth credit transfer**
Excelsior makes it easy for you to transfer your college credits. We accept undergraduate credits from a wide variety of sources. For more information on ways to earn undergraduate credits, visit www.excelsior.edu/waystoearncredit.

4 **Strong support**
Take advantage of on-site military advisors/consultants (available in CA, DC, FL, GA, HI, KY, MD, NC, SC, TX, VA, and WA) and keep in touch by phone or e-mail with your team of academic advisors. You’ll also find writing and tutorial services online as well as technology assistance.
A range of resources
We’re always thinking of new ways to serve you and keep you connected. That’s why we’ve introduced features like the Excelsior College Virtual Library and the Electronic Peer Network (EPN), our exclusive online “student union” that lets you join in study groups, buy/sell textbooks, and more.

Choices to consider
We offer several options for entering students. 

**Excelsior Course Option** provides significantly reduced enrollment fees for those taking 6-12 Excelsior credits, $250 per tuition credit, a 25% savings over the standard rate of $315.

**Multi-Source Option** allows transfer of up to 100% of requirements into degree programs from Excelsior College Examinations, CLEP and DSST exams, ACE-approved military training, and other accredited institutions.

Always economical
In this challenging economy with commuting costs being what they are, distance learning makes great sense. As an Excelsior student, you can take advantage of our college payment plan. You can also benefit from our **Military Spouse Scholarship Program**, or Federal Financial Aid, created to support spouses of service members who demonstrate financial need.

For further savings, inquire about the Military Spouse Career Advancement Account (CAA), a program co-sponsored by the Department of Labor and Department of Defense for spouses of service members that affords up to $3,000 in benefits. For more information visit http://caa.milspouse.org/

One of the things that initially drew Madeline Lawson to Excelsior was the ease of the web site. She wanted to go the distance learning route and had tried other distance learning courses at other institutions. But, she found them to be “painstaking,” which didn’t give her the opportunity to improve her online skills.

Madeline’s experiences at Excelsior were very positive. She spoke of the excellent customer service that never left her hanging on ‘hold’ forever. “Other colleges don’t compare with the ease of dealing with Excelsior.” She enjoyed the “totally, completely open communication with faculty and staff,” finding the “professors were always responsive and flexible in their demands, allowing for life’s intrusions.”

“By the time someone travels to a campus-based class, sits there for three hours, and then drives home, I’ve already finished my night’s work for my online class.”
Easy to enroll
Apply and enroll online—it’s that easy. For spouses of active duty, National Guard, and Reserve personnel who enroll within six months of the application date, $50 of the undergraduate application fee can be applied to the enrollment fee.

Additional opportunities
At Excelsior, we offer more than 100 non-credit courses through our Center for Professional Development. Here you can explore subject areas like business, construction technology, health care, internet and design technology, investigative science, Microsoft certification training, networking and CompTIA certification, project management, and video game design and development, to prepare yourself for a rewarding 21st century career.

Invest in Yourself
College graduates on average earn $23,000 a year more than those whose education ends with a high school degree, according to the National Center for Policy Analysis. Your Excelsior degree will open up a world of opportunities.
