Our 15-week terms begin every other month. Accelerated 8-week undergraduate courses are also available. At Excelsior, your education is never kept waiting.

Smooth credit transfer

Excelsior makes it easy for you to transfer your college credits. Earn maximum credits for your military training as you work toward a degree in your military career field. Our goal is to move you toward degree completion, not put up roadblocks.

Strong support

Take advantage of on-site military advisors/consultants (available in CA, DC, FL, GA, HI, KY, MD, NC, SC, TX, VA, and WA) and keep in touch by phone or e-mail with your team of academic advisors. You’ll also find writing and tutorial services online as well as technology assistance.

A range of resources

We’re always thinking of new ways to serve you and keep you connected. That’s why we’ve introduced features like the Excelsior College Library and the MyExcelsior Community, our exclusive online “student union” that lets you join in study groups, buy/sell textbooks, and more.

Choices to consider

We offer several options for entering students. The Excelsior Course Option provides significantly reduced enrollment fees for those taking 6-12 Excelsior credits. The MultiSource Option allows for maximum transfer of credit toward your degree requirements from Excelsior College Examinations, CLEP and DSST exams, ACE-approved military training, and other accredited institutions.

Always economical

With commuting costs being what they are, distance learning makes great sense. As an Excelsior student, you can take advantage of our college payment plan or Federal Financial Aid. Note too that Military Tuition Assistance may cover up to 100% of your tuition costs.

Easy to enroll

Just enroll* online – it’s that easy. You have two convenient choices... enroll online or download the undergraduate enrollment form at excelsior.edu/navy. Once enrolled, you’ll work with advisors on your degree completion plan.

*Undergraduate nursing degree programs and all graduate degree programs require an application before enrolling.

Occasion to celebrate

Excelsior graduates are invited to attend the annual commencement ceremony held every July in Albany, New York. Alternatively, you might choose to participate in one of the on-site commencements sponsored by Navy College offices.

Invest in yourself

College graduates on average earn $23,000 a year more than those whose education ends with a high school degree, according to the National Center for Policy Analysis. Your Excelsior degree will open up a world of opportunities.
