

TO: Future Excelsior College Nursing Students from Kansas
FROM: Excelsior College Admissions Office
RE: Current Kansas State Board Status

The Kansas Board of Nursing no longer allows licensure by examination for Excelsior graduates. Graduates are eligible to apply for licensure only by endorsement. The Board requires 1,000 hours of RN clinical work experience as a qualification for licensure.

As a graduate you may apply for licensure by examination and work as an RN in another U.S. jurisdiction. Or you can apply for licensure by examination in another U.S. jurisdiction and work for a federal facility in Kansas, such as a VA hospital, military hospital, or federal correctional facility. Once you reach the 1,000 hours of RN clinical experience, you can apply for licensure by endorsement in Kansas.

In order to process your undergraduate application for admission to the School of Nursing, select one of the options listed below. Then sign and return this document for processing.
