<b>TOTAL DEGREE CREDITS REQUIRED</b>	<b>67</b>

① This requirement must be completed within the first 13 Excelsior College credits attempted, and no more than five years prior to the academic policy date.

② This requirement must be completed before registering for any nursing theory requirements. Please note that Anatomy & Physiology and Microbiology need to have been completed no more than five years prior to the academic policy date.

③ This requirement must be completed within the first 9 Excelsior College credits attempted.

④ Phase I and II requirements are offered as online courses, NTCXs, or examinations. See catalog (page 13) for details.

⑤ This requirement can be waived if you hold a valid and current U.S. LPN/LVN license and have demonstrated success on the NCLEX-PN within five years prior to academic policy date. Submit a copy of your LPN/LVN license and official transcript for evaluation by an academic advisor.

⑥ Students are eligible for this requirement when all eight of the nursing theory requirements are complete, when a current VHCE form has been submitted, and no more than 10 credits in general education are still needed.

⑦ This examination may be scheduled after the entire FCCA<sup>®</sup> requirement is successfully completed.
