

PHI THETA KAPPA SCHOLARSHIP APPLICATION FOR ACADEMIC PARTNERS

A scholarship is available to a Phi Theta Kappa Member transferring to Excelsior College from a partner college. To be eligible, applicants must have no outside affiliations resulting in education support (e.g., Veterans Affairs benefits, assistance from professional organizations, etc., and have a completed current year FAFSA form). Two \$1,000 scholarships will be awarded. One is a regional scholarship (recipient must reside within New York State), and the other is awarded to a national recipient. The award may be applied to Excelsior College tuition and fees only. This scholarship is in addition to Excelsior's preferential partnership pricing. Send completed applications to ccpartnerships@excelsior.edu.
