

Robert P. Mahoney Award Application

This award is given in recognition of the outstanding contributions of Robert P. Mahoney to liberal arts education at Excelsior College and his devotion to serving his community. Dr. Mahoney's long-standing commitment to Excelsior College as a member of the General Education/Liberal Arts and Assessment faculty committees has served as a constant testimonial to his belief in the philosophy and mission of Excelsior College, in the value of lifelong learning, and in adults as learners. Throughout his career, Dr. Mahoney has challenged students to persist in meeting their academic goals in spite of the difficult challenges they might face along the way. Because he believes in giving back to one's community, he encourages students to honor the many people who have supported their efforts to be successful by becoming active community volunteers, using their talents to enhance the communities in which they live. The Liberal Arts faculty and staff present this award to a Liberal Arts graduate who completed his/her Excelsior College liberal arts degree in the face of significant challenges and who demonstrates a dedication to community and volunteer service. Note: This award carries a stipend of \$250.00. **The deadline for our receipt of applications each year is April 15.**
