

Excelsior College OneTranscript®

Application Instructions

Carefully tear this page along the perforation and keep for reference.

Thank You for Choosing OneTranscript®

OneTranscript is a service for students who want to consolidate their academic records for employment or educational purposes onto a single transcript. OneTranscript is not an application for an evaluation of credits applicable to an Excelsior College academic degree. **If you are planning to enroll in a degree program, you should be completing the Undergraduate Application for Admission.**

OneTranscript enables you to record and report, on a single transcript, college-level credit you have accumulated from a variety of accredited sources. OneTranscript makes it easier for employers or other colleges to recognize the credit you have already earned. There are many adult learners who have accumulated college-level credit during their careers, often from a variety of sources. Keeping track of the many transcripts or test score reports can be difficult. The documents that you submit will be reviewed and all appropriate college-level credit will be included on your Excelsior Credit Bank transcript.

Your first step is to complete this OneTranscript application. Please read it carefully and fill out each section completely. If you have any questions as you are completing this application, please call the Office of Registration and Records toll free at 888-647-2388 (ext. 141).

Duplicative (not repeated) credits are listed on a OneTranscript record, but duplicative credit will not apply toward an Excelsior College degree if you decide to enroll. You may request that certain courses be excluded from your credit bank transcript by listing these courses on your application. However, if you later want those courses added, the transcript update fee will be assessed. Once credits are posted to your transcript, they cannot be removed.

If you choose initially to register with our OneTranscript service and later decide to enroll, we will credit a portion of your OneTranscript fee toward the enrollment fee. This credit will apply if you enroll within one year of the date the initial student copy of your transcript is mailed to you.

Documents Submitted for OneTranscript®

You are required to submit **official** transcripts, examination score reports, military documentation, foreign credential evaluations, official documentation of approved business and industry transcripts, FAA Fixed Wing Pilot certificates, etc., indicating that you have earned college-level credit for review.

Official transcripts/documents are those that a college, testing agency, foreign transcript evaluation agency, or acceptable military source submits directly to Excelsior College, Office of Registration and Records, 7 Columbia Circle, Albany, NY, 12203-5159.

Transcripts from accredited institutions must include the institution's official seal and registrar's signature (signature is usually a stamp) and two forms of student identification (e.g., Social Security number and date of birth, Social Security number and current address, current address and date of birth). **NOTE: The issuance date of the transcript must be within three weeks or less.** Do not submit unofficial copies as the College cannot use them in your review.

OneTranscript Fee \$270

The OneTranscript service consolidates all of your accredited college-level academic records onto a single Excelsior College transcript (known as a Credit Bank transcript). The OneTranscript service and fee entitles you to receive **one** student copy of your Credit Bank transcript. If additional transcripts are needed, there is a \$12 fee per transcript (see transcript fee below). If you elect to enroll in an Excelsior College degree program within one year of the date your OneTranscript is completed, \$75 of the OneTranscript fee will be applied toward your Undergraduate Multi-Source Enrollment Fee.

Transcript Update Fee

After the initial student copy of the transcript is issued, your records may be updated with payment of the Transcript Update Fee. Updates apply when one or more transcripts or official score reports are submitted after the initial transcript is issued. There is no charge for adding an Excelsior College exam or course to your OneTranscript record.

Updates which include one or more transcripts. \$ 25

Transcript Fee \$ 12

The transcript fee covers the cost of preparing and mailing an official or additional student copy of your Excelsior College Credit Bank transcript after your initial student copy has been issued. Requests for transcripts can be made in writing (be sure to include your signature) or you may request a transcript online from the My Details page of My Excelsior.

Transcript Rush Fee \$ 30

This fee is assessed in addition to the \$12 Transcript Fee, for a total of \$42. Keep in mind that payment of this fee does not rush the preparation of your Credit Bank transcript. Your Credit Bank transcript is prepared within 5–10 business days from the date we receive all of your official documents that are to be included on your transcript. However, if you require that a transcript be sent first class mail within 3 business days from the date your transcript is prepared, you will need to pay the Transcript Rush Fee.
